Welcome to UnitedHealthcare Global

Specialised healthcare plans for the Channel Islands

At UnitedHealthcare Global, we understand the challenges of globally mobile populations and have vast experience in managing the whole assignment process with our clients to ensure their employees and their dependants have a healthier journey. Our mission is to help people live healthier lives and help make the healthcare system work better for everyone.

We are proud to provide specialised healthcare plans for the Channel Islands to meet the unique needs of the expatriate populations living there and to ensure they have easy access to quality healthcare. Direct settlement is available across several of the outpatient plan benefits and the plan has been set up to ensure members have access to our comprehensive medical network in the Channel Islands and across the UK.

Our solutions not only cover the insurance needs of your workforce, we also provide proactive, preventive care through rich wellness programmes and our assistance and security services, all **managed through one provider**.

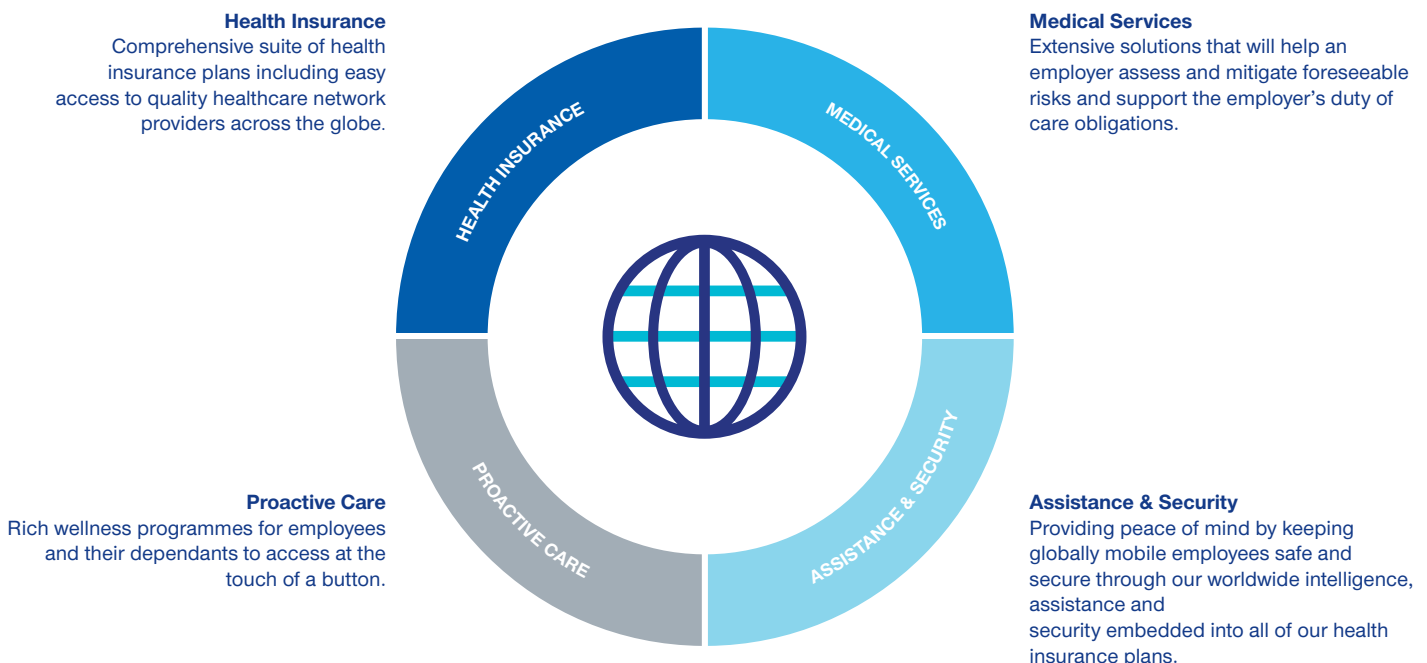

How we can help support globally mobile populations

At UnitedHealthcare Global we partner with employers to approach health from a holistic perspective – proactively supporting the mental, emotional and physical wellbeing of individuals to maximise productivity at work and at home.

UnitedHealthcare Global has the capability to provide clients with access to a comprehensive range of insurance benefits, healthcare professionals, clinics, medical equipment and supplies, enabling international standards of care delivery, wherever you are in the world. As your single partner, we make all of the pieces work together to make communication easy for you.

Why choose us?

- Unique innovative offering
- Single-partner solution – streamlined administrative process
- Comprehensive plans catering for the broadest spectrum of client needs
- Tailored options available
- Rich dental cover
- Competitive pricing by removing duplication of benefits that arise from using multiple Providers

The advantages of choosing UnitedHealthcare Global for your Channel Islands population

Proactive healthcare for your employees and their dependants

We have developed a suite of integrated healthcare and wellbeing solutions to help and encourage our members to make positive health choices and actively engage in maintaining and improving their wellbeing wherever they are in the world.

What are the core pillars of wellbeing?

Physical health

The ability to maintain a healthy quality of life (e.g., manage risk factors/ health conditions) and to have enough energy to accomplish daily activities without undue fatigue or physical stress

Social health

The ability to relate to and connect with other people in our world; having supportive, positive relationships and feelings of social belonging

Financial health

The ability to effectively manage your current and future economic life

Community health

Having a feeling of connection and engagement with the area in which you live (e.g., liking where you live and feeling safe)

Mental health

The presence of positive emotions and moods (e.g., contentment, happiness); the absence of negative emotions (e.g., depression, anxiety); the ability to cope effectively with life

All our plans include proactive wellbeing programmes including:

- Optum My Wellbeing customised healthy lifestyle app focused on healthy activity, nutrition & mental health services. Coaching members on healthy behaviours such as fitness and nutrition
- Employee Assistance Programme (EAP) which provides a telephone, online and face-to-face counselling including legal and financial advisory services
- LiveWell portal, an extensive eLibrary that provides advice, factsheets, articles, and additional resources for a broad range of personal and work related topics, available in 16 different languages
- Routine Annual Checks and Preventative Care covered on level 2 & 3 Core plans
- Comprehensive Cancer Screening with additional tests offered for those members believed to be at high risk covered on level 2 & 3 Core plans
- Vaccinations and inoculations including those that aid in the prevention of sickness and those required for travel purposes covered on level 2 & 3 Core plans
- Dietician Consultations covered on our level 3 Core plan

...because the better they feel, the further they'll go!

Healthy employees with a strong sense of Wellbeing are proven to be more productive, resilient and engaged individuals within any organisation's talent pool, which is why we offer such comprehensive Wellness benefits embedded in all our plans. See the results of using our Optum My Wellbeing app.
